Re: Request for Information for the San Mateo Creek Basin Legacy Uranium Site

Dear Mr. Lawrence:

On November 18, 2011, the U.S. Environmental Protection Agency received your request on behalf of United Nuclear Corporation for an extension to respond to the San Mateo Creek Basin Legacy Uranium Site 104(e) Information Request.

Based on the EPA's review of your request, we are extending the deadline for your response by 40 days. As a result, your response to the 104(e) Information Request is now due no later than January 27, 2012. The EPA requests UNC to submit an interim response by December 30, 2011. Should you have any questions, please contact Mr. Stephen Capuyan, Enforcement Officer, at (214) 665-2163 or capuyan.stephen@epa.gov. Thank you for your attention to this matter.

Sincerely,
